Appleton Digital™ Paper-Film-Paper (PFP)

A paper-film-paper construction that provides tear-resistance. It prints like paper, because it is paper. A cost-effective alternative to traditional synthetic substrates such as polyester and vinyl.

Appleton Digital™ Universal Polyester

A tear-resistant, water-resistant, and weather-resistant product. The most durable choice.

Appleton Digital™ PVC

A durable solution when resistance to water and tearing are needed.

Appleton Digital™ Synthetic Paper for HP Indigo

This product is a perfect choice for applications that need to be waterproof, weatherproof, or tearproof.

Appleton Digital™ Pressure Sensitive

Available in vinyl and polyester, white or clear, permanent or ultra-removable adhesives. Premium water-based adhesive means no oozing.

COMMON APPLICATIONS

- Menus
- Outdoor signage
- ID cards
- Shelf strips
- Maps
- Bumper Stickers
- Manuals
- Plant stakes

Appvion, Inc. unconditionally guarantees your satisfaction at 100%. If you are not satisfied for any reason, we will help you resolve the problem, repair the equipment, replace the paper, or refund its cost. No hassles. No fine print. No conditions.
