

10 Mil Triumph™ Synthetic Paper

Triumph™ Digital Synthetic Paper is a high quality laser printable synthetic paper. It features a bright white film for high heat toner-based printing.

Triumph Digital Synthetic Paper is dimensionally stable and is ideal for end-use applications requiring tear-and weather-resistant durability. No over lamination is required. The Triumph Digital Synthetic Paper grade is also chemical-and stain-resistant. Triumph Digital Premium Polyester is offered in 8 mil, 10 mil, and 16 mil.

Attributes:

- Versatile and economical
- Vibrant color reproduction
- Luxurious look & feel
