

5 Mil Triumph™ Premium Polyester

Triumph™ Digital Premium Polyester is a high quality laser printable polyester film. It features an Opaque Matte coating on both sides for high heat toner-based printing.

Triumph™ Digital Premium Polyester is dimensionally stable and is ideal for end-use applications where high temperatures (up to 400° F) are expected. It has good lay-flat characteristics, is semi-rigid, and provides a desirable ID card type “snap” when flexed. Triumph™ Digital Premium Polyester is offered in 5 mil, 8 mil, 10 mil and 14 mil.

Attributes:

- Versatile and economical
- Rigid film for strength
- Ultra-smooth print surface
- No over lamination required
- Resistant to chemicals, alcohol, moisture & tearing
- Waterproof & weatherproof
- Ultimate static control

Applications:

- Field guide
- Maps
- Retail shelf strips
- Tickets
- Manuals
- Cookbooks
- Plant tags
- Store signage

Available Sizes: 8.5”x11” | 12”x18”

Property	Typical Value
Total Thickness, μ	118 +/- 5
