

## 8 Mil Triumph™ Universal Polyester

Triumph™ Universal Polyester is a high quality laser printable polyester film. It features an bright white toner receptive coating on both sides for high heat toner-based and HP Indigo digital printing.

Triumph™ Universal Polyester is dimensionally stable and is ideal for end-use applications where high temperatures (up to 400° F) are expected. It has good lay-flat characteristics, is semi-rigid, and provides a desirable ID card type “snap” when flexed. Triumph™ Universal Polyester is offered in 5 mil, 8 mil, 10 mil, and 14 mil.
